To disclose information, whether from before, during or after the date of this authorization, about my health, including HIV, AIDS or other disorders of the immune system, use of drugs or alcohol, mental or physical history, condition, advice or treatment (except this authorization does not authorize release of psychotherapy notes), prescription drug history, earnings, financial or credit history, professional licenses, employment history, insurance claims and benefits, and all other claims and benefits, including Social Security claims and benefits ("My Information");

To Unum Group and its subsidiaries, Unum Life Insurance Company of America, Provident Life and Accident Insurance Company, The Paul Revere Life Insurance Company, and persons who evaluate claims for any of those companies ("Unum");

Unum may then disclose My Information only as permitted by law, including, state fraud reporting laws or as authorized by me.

Information authorized for use or disclosure may include information which may indicate the presence of a communicable or non-communicable disease.

If I do not sign this authorization or if I alter or revoke it, except as specified above, Unum may not be able to evaluate or administer my claim(s), which may lead to my claim(s) being denied. I may revoke this authorization at any time by sending written notice to the address above. I understand that revocation will not apply to any information that Unum requests or discloses prior to Unum receiving my revocation request.
